DAS GELD HÄNGT AN DEN
BÄUMEN

The non-profit organization »Das Geld hängt an den Bäumen“ (Money grows on Trees) has devoted itself with a lot of heart blood to the preservation of historical apple varieties, from which they produce sustainably high-quality juices and spritzer. With every sip, you will support the preservation of traditional regional orchards, especially the employment of people with handicaps who harvest the fruits with full commitment and process them in the Hamburg factory.
